	The minutes of the meetings were approved as a true and accurate record and duly signed by the Chairman. RESOLVED					
4.0	To Receive Brief Report from Three Crosses Ward Councillor Jonathan Lester					
	Cllr Lester advised that Herefordshire Council (HC) are currently concentrating on their 2017/18 budget which is currently under consultation. Central Government grant has been reduced by 90% between 2010 and 2016 and HC need to find savings of £7m in 2017/18. They have a gross budget from government of £360m, £116m of which is ring-fenced for schools, £50m for housing benefit, £9.7m public health, £13.3m better care fund and £28m fees, rents and charges. They have a net budget of £145m - £53m for adult social care & wellbeing, £23m for children's services and the remainder for roads, planning etc. HC have balanced their budget for the last three years and will discuss the 2017/18 budget at the February meeting and decide it at the March meeting. Between 2010 and 2020 they are having to make savings of £7.1m in the year 2017/18 and a total of £87m by 2020. Since 2010 HC have achieved the development of the Old Cattle Market which is proving to be the fastest rising development in the country. Hereford bypass will be completed by 2027 and £47m funding has been agreed from Government. £23m energy and waste plant has been built, 65m wheelie bins delivered. Balfour Beatty have made £3m savings whilst resurfacing 19% of the county's highway network. Fastershire broadband is now reaching 80% of the county. In 2012 HC was in special measures for Safeguarding children, this is improving. In Key Stages 1, 2 & 4 results are above national average and early year's provision statistics are encouraging. £8m has been invested in Schools Capital Investment programme which has resulted in a new					

	school being built in Colwall. First time offender rates have halved. HC have agreed to take 25 unaccompanied asylum seeker children by July 2017. Cllr Lester was asked to enquire about a speed camera or Safer Road Partnerships deployment for Stretton Grandison.
