

Stretton Grandison Group Parish Council

GRANT AND DONATION POLICY

Adopted by Stretton Grandison Group Parish Council at a Meeting on 13th May 2024

Definitions

Grant: A grant is a sum of money, facility or service requested by an applicant and given by the provider.

Donation: a donation is a sum of money, facility or service given by the provider but not requested by an applicant.

1. The maximum sum set aside each financial year for grants and donations is to be agreed at the meeting when the budget is set each year.
2. All applications for grants must be made in writing and submitted to the Clerk.
3. All grant applications must be decided by a full Parish Council meeting.
4. Stretton Grandison Group Parish Council must satisfy itself that the grant will benefit the area and a significant number of residents. Ideally there should be clear evidence of local need or demand for the proposed project/activity.
5. Each application must be accompanied by supporting documents:
 - (a) Summary of the applicant's accounts for the last financial year.
 - (b) Proposed project details including a breakdown of costings.
 - (c) Details of the applicant's organisation, committee and meeting structure, appointed officers, etc. Councillors must feel confident that appropriate management mechanisms and financial controls are in place within the applicant's organisation.
 - (d) Other funding sources/grants applied for in relation to the project concerned.
6. If the grant requests received exceed the grant monies available in a financial year, then councillors will target projects/donations that benefit as many people as possible within the parish.
7. Donations must be decided at a full parish council meeting, must benefit local residents or organisations but are bound by no further conditions.
8. The Parish Council may make donations to a charitable organisation up to a sum not exceeding the sum agreed in the budget.
